HOUSE COMMITTEE

New Years Eve is a few days away. This year Jim Patchell, ER has asked our committee to plan a "House Party" in the lounge, so the House Committee will prepare a few hot and cold items, and asks that you consider sharing one of your favorite finger type foods with us. We'll be starting up about 9 pm and because it's Friday the lounge can stay open till 3 am (oh yeah). I'm thinking of coffee and pastry at 1 am following a complimentary champagne toast. A party is only what you make it so come on in and we will try a few things.

The committee will not be serving Friday night food on **December 31**. We will resume Friday night food on **January 7**.

The House Committee is looking for a few folks who wish to serve their Lodge in a much needed way. The House Committee is a bit short handed and could use your help; you don't need to know anything about cooking there is plenty to do. Stop in and see John Langan, myself or leave your name and number with the steward on duty and we'll get back to you.

Speaking of the stewards, if there is a member who may be interested in bartending or working as a hall monitor please let one of us know we would like to talk to you.

*As always thank you for your patronage,
Ken C HC Chairman*

EXALTED RULER'S MESSAGE

I would like to wish everyone a very happy and healthy New Year. Even through the holidays we were very busy. On November 29 we were audited by Paul DuBois, Northwest District Deputy and his suite. The Lodge was found to be in very good shape and complying with all Grand Lodge requirements.

December 5 we held our Elks Memorial Service to remember our past brothers and sisters. We held our youth activity Hoop Shoot contest.

December 7 was the District Deputy's Visit and our own Coastal District Deputy Jim Hessberger's Home Coming. It was very well attended by Elks from all over the State. I would like to take the opportunity to thank all who made the trip to Milford. The Officers did a fine job with the ritual and received many compliments on their performance.

December 8 was the stuffed pork chop family dinner and on December 11 we hosted the Connecticut State Elks Association's Christmas party. December 12 was the children's Christmas party.

December 17 we packed well over 225 food baskets for the needy families of Milford; December 18 the baskets were delivered in the morning with the adult Christmas party that night.

At press time we are looking forward to feed the lonely and needy on Christmas Day.

I could go on but I think you now realize how busy we were and when I looked around at the members that were volunteering most of the faces looked the same. In closing I would like to ask that we all take a few minutes and examine the reasons why you became an Elk and reflect on the good that Elks do across our city, our state and our country.

My *Elk of the Month* is **Tim Grivalsky**. Brother Tim is a member that is always there and has been there for years. Each year he states that he is retiring but look at the group of volunteers and there he is.

Once again Happy New Year.

Jim Patchell, Exalted Ruler

We still have individuals who are delinquent in their dues, if there is a problem please contact me.

I hope to see you at the Lodge.

ELEVENTH HOUR CLOCK DONATION

Please join with the Past Exalted Rulers Association in their efforts to get a new Eleventh Hour Clock for the Lodge Hall. The 11th hour is the "Golden hour of recollection" and the memories of our absent members are brought to mind through the tolling of the clock chimes. Our current clock has served the Lodge proudly for many years but sadly no longer works effectively and cannot be repaired. The Lodge PER Association is raising funds to purchase a new Clock for the Lodge. Please consider making a donation to help us with this cause. Send your donation to the Lodge Secretary, Attention

Clock Fund. Any help you could provide is greatly appreciated.

Chuck White, PER, President PER Association

FLAG AMENDMENT PICKS UP STEAM

The Grand Lodge Americanism committee is encouraging all Elks to support House Joint Resolution 47 and Senate Joint Resolution 15 which call for a constitutional amendment to prohibit the physical desecration of the American Flag. We can make the statement that as Elks the flag of our country is important to us.

You can reach your members of Congress by calling the U.S. Capitol, toll free, at 877-762-8762. We urge our Members to speak out on this matter by writing or phoning their respective candidates today.

SETBACK TOURNAMENT

A setback tournament is beginning in **January** with Milford Elks Lodge 1589 versus Knights of Columbus of Milford. We are looking for members to fill 5 teams of 2, plus substitutes. The games will be played at alternate lodges on a night to be determined.

Contact Jim Deptula if you are interested or have questions.

CHRISTMAS BASKET FOOD DRIVE

The Basket Committee can't thank everyone enough for their efforts and donations this year for food baskets and the Christmas Day Dinner. We all worked hard and because of your efforts we were able to donate 225 baskets to families in need in our community and feed over 150 people on Christmas day!

Between the "Christmas In July" party and the "Annual Push" this holiday season we were able to raise enough money to cover our costs. Special thanks to those that worked hard to find us great prices on the basket contents - because of your efforts we were able to keep the per basket cost low - despite rising prices! The extra money from donations paid for the Christmas Day Dinner which will be a success - thanks to everyone that will donate their time and desserts.

It was great to see a lot of new faces jump in to help us with donations, packing and distributing of the baskets. Keep it up – there are lots of committees in the Lodge that can use your help no matter how small your donation of time or money.

*Thanks again,
The Basket Committee
Amy Potts and Danette Contaras*
